

Rewrite the stars – guitar chord chart (capo3) Words and music by Benj Pasek and Justin Paul

[Verse 1]

You know I want you  
It's not a secret I try to hide  
I know you want me  
Don't keep saying our hands are tied

D  
You claim it's not in the cards  
Em7 C  
But fate is pulling you miles away  
C  
And out of reach from me  
D  
But you're here in my heart  
Em7 C  
So who can stop me if I decide  
C C(add9) C(add9)  
that you're my destiny? What if we

[Chorus]

Em7 C  
rewrite the stars? Say you were  
G D  
made to be mine, nothing could  
Em7 C  
Keep us apart, you'd be the  
G D  
one I was meant to find  
Em7 C  
It's up to you, and it's up to me  
G D  
No one can say what we get to be, so why don't we  
Em7 C  
Rewrite the stars?  
G D  
Maybe the world could be ours

Tonight

[Interlude]

G Am7 Em7 D

[Verse 2]

G Gsus4  
You think it's easy  
G Gsus4  
You think I don't want to run to you

Rewrite the stars – guitar chord chart (capo3) page2

G                    Gsus4  
But there are mountains  
G                    Gsus4  
And there are doors that we can't walk through  
D  
I know you're wondering why  
Em7  
Because we're able to be  
C  
Just you and me  
C  
Within these walls  
D  
But when we go outside  
Em7                                    C                                    C                                    D                                    D  
You're going to wake up and see that it was hopeless after all

[Chorus]

Em7                    C                                    G                                    D                                    x 4

No one can rewrite the stars  
How can you say you'll be mine?  
Everything keeps us apart  
And I'm not the one you were meant to find  
It's not up to you  
It's not up to me  
When everyone tells us what we can be  
How can we rewrite the stars?  
Say that the world can be ours  
Tonight

[Bridge]

Em                                    C  
All I want is to fly with you  
G                                    D  
All I want is to fall with you  
Em                                    Bm7  
So just give me all of you  
C  
It feels impossible  
C(add9)  
It's not impossible  
C(add9)  
Is it impossible?  
C(add9)  
Say that it's possible  
C(add9)

Rewrite the stars – guitar chord chart (capo3) page3

[Chorus]

Em7            C            G            D            x 4

How do we rewrite the stars?  
Say you were made to be mine?  
Nothing can keep us apart  
'Cause you are the one I was meant to find  
It's up to you  
And it's up to me  
No one can say what we get to be  
And why don't we rewrite the stars?  
Changing the world to be ours

[Interlude]

Em7            C            G            Dsus4

[Outro-verse]

G                    Gsus4  
You know I want you  
G                    Gsus4  
It's not a secret I try to hide  
G                    Gsus4  
But I can't have you

We're bound to break and  
My hands are tied
